

Smoky Mountain Amateur Radio Club Net

Net Procedure

This is _____, _____ calling the Weekly Smoky Mountain Amateur Radio Club Net

I am you net control station for this session and the name is _____ .

Is there any emergency traffic for the net.

(PAUSE)

This net is currently activated as an open net to all Smoky Mountain Amateur Radio Club members as well as any and all Amateurs who are interested in promoting Amateur Radio.

(PAUSE)

The purpose of this net is to promote club interest and the amateur radio hobby. This is an unstructured net, where as we have no other agenda than to have fun and enjoy each others company. This is not training net and as such we have no formal education on this net. This net is open to all amateur operators whether they are members of the Smoky Mountain Amateur Radio Club or just HAMS who stop by and join in the fun.

The net meets each Thurs. Night at 7 PM local on the 146.655 repeater with alternate frequencies of 146.940 repeater.

This is _____ of the Smoky Mountain Amateur Radio Club standing by for any emergency traffic.

(PAUSE)

Are there any Announcements to come before the Net? Come now with your call sign only.
(Take the list. Decide when the announcements will be made)

(PAUSE)

At this time all Smoky Mountain Amateur Radio Club members and all others please stand by for check in's. Please wait for the previous station to be recognized before checking in. We will start our check-in's with mobile operators, Hand held radios and stations operating on emergency power only. As originally stated this net is open to all.

This is _____ net control. Mobile check in's, hand held radios and stations operating on emergency power please come now with your first name, call sign and location, also let us know if you are a member of SMARC.

This is _____ net control. We will now take check-in's from any and all HAMS with your first name, call sign and location, also let us know if you are a member of SMARC.

(PAUSE)---Repeat this as may times as you like. Take the check in's and ask for any comments as you proceed for the group REMEMBER to ID as required by FCC)

Are there anymore announcements, questions of any type, equipment to sell, trade or barter or anything you would like to talk about. Please come now with your call sign.

(PAUSE) *Take calls*

Does anybody have any ideas or questions about Field Day?

This is _____ in the Smoky Mountain Amateur Radio Club net taking late check-in's from any and all stations at this time. Please come now with your first name, call sign and location, and let us know if you are member of SMARC.

Next week your Net Control station will be (Call) _____, (Name) _____.

We have had _____ check-in's tonight. (Get info from Ed or George)

I would like to thank Smoky Mountain Amateur Radio Club for the use of the repeater. I would also like to thank the Repeater Committee members and all the Officers of the Smoky Mountain Amateur Radio Club and especially our Net Manager Frances Bell, W4MTB for all their support.

This is _____ closing the Smoky Mountain Amateur Radio Club net at _____ local time and returning the repeater to normal use.

73 and Good night.
