THE PRESIDENT'S CORNER

Hello to All

I hope everyone had a great holiday season. We are ready for a new year in ham radio. We will have several events happening this year such as field day, special events stations, guest speakers and more. I hope to see everyone at the meetings this year. Thanks for allowing me to be the president of the SMARC club for another year.

RANDY JACKSON, K4RDJ, OUR CLUB PRESIDENT.

NET NOTES

Hello Guys and Gals;

I sure hope all of you had the best, healthiest and Happiest Christmas and New Year.

May the year 2010 continue to be a wonderful year for you. Sorry I forgot to send out the Net Notes for December to end the year. Grin. I guess my age is catching up with me. We had a wonderful year on the smarc net and I pray that all of you will join in and make this years net a even better one than the past.

Invite friends and new hams to join in with us. Just want to say THANK YOU to all of you that were Net Controllers and Scribes for the nets the past year. Without you it would be a harder job. And even more all of you that checked into the net.

I also want to say THANK YOU to all that are keeping the repeater up and working so we can use it when ever we want for pleasure or emergencies ect.

With that I will go for now and will always be there listening for your voices on the Smoky Mountain A. R. C. Net every Thursday evenings at 7 p. m. on our 146.655 w4olb Club repeater. Our back up is the 146.940 wb4gbi Tim Berry Repeater.

If you are not on our group mailing list and would like to be, then please send your e-mail address to Ed k4esb and he will add you to the list.

k4esb@charter.net.

You do not have to be a member of the SMARC Club to be on this list.

Take care and I look forward to seeing you at our next meeting.

Frances Bell w4mtb 73s.
SMARC Net Manager

Always remember YOU are what keeps this Net going. So

FRANCES BELL, W4MTB, OUR NET MANAGER AND HEALTH AND WELFARE DIRECTOR.
