VICE PRESIDENT'S CORNER

Hope everyone is doing well and enjoying the fall weather.

We will be having VE test session on October 10, 2011 at 7:00 p.m. At St. Andrew's Church. The following VE test session will be December 12, 2011 held at St. Andrew's Church at 7:00 p.m.

This month's meeting will be held on October 24 at the Union Hall at 7:00 p.m. Our program will be on "SMARC REPEATER" presented by Bob Wilson, KK4XA.

Hope to see everyone there.

Lisa Cody
KB4LT

MINUTES FROM SEPTEMBER 2011 SMARC MEETING

The Smoky Mountain Amateur Radio Club met at 7:00 PM, 09/26/11 at the USW Union Hall with Randy, K4RDJ presiding.

There were 29 members and 4 visitors present.

The visitors were: Carol Roemer, XYL of George W3GLR, Betty Peabody, XYL of Carroll W4PCA; Daniel Coin KI4YCJ; Hugh Morgan W4VAB

No business meeting or program was scheduled for the meeting. Those in attendance would enjoy the BBQ sandwiches and sides of slaw and baked beans and a drink of choice. Following the BBQ and door prize drawing a parking lot tailgate session would be held.

Randy opened the meeting stating that Carroll, W4PCA would explain the procedure for those in attendance to line up for their BBQ supper.

The members and visitors enjoyed the BBQ pork sandwiches, drinks and sides of slaw, beans and cake for dessert. The cakes were brought in by the members who attended. George, KG4FSD provided the soft drinks, and the club provided the BBQ and sides.

After the eating, the meeting adjourned to the parking lot for the tailgate, while a few stayed inside for "eyeball" QSO's.

The door prize of \$15 was won by Tom Jenkinson, WB7TLW a new member joining the club. Additional prize of a magnifier lamp donated by Andy, N5NDD was won by Bill Woods, KD4LDJ

The meeting closed at 7:45 PM

Contact: Phil Mathewson, W9IR at 865-977-1158 or 865-250-9471

1- Ten-Tec 580 Delta Transceiver(Multiband), with the Ten-Tec
Power Supply- and Shure Microphone

1- Dipole 15-40 meter with 50 ft coax

1- Coax Selector switch

1- Jaypole 2 meter with the coax

1- Swan swr-1 bridge

1- Kenwood TM-261, TM=261 EJ, TM-461A, 144 MHz Transceiver with
Power Supply and Instruction Manual

I received this equipment of Ten-Tec from a friend, and it was a one
owner, and I took it to Ten -Tec to have it checked out, and they put
it in good shape. The other things I bought new. The Delta Transceiver
was bought new in 1989, and all the other around 2003. All of it is
like new.

Sincerely, Hoyt M. Roberts N5IMG
